Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Manhattan Beach Safe Cycling Project in Manhattan Beach in fiscal year 2023.

The entity to receive funding for this project is the City of Manhattan Beach, CA located at 1400 Highland Avenue, Manhattan Beach, CA 90266.

The funds will support the development and integration of improved bicycle lanes in the South Bay. The bike link stretches from the intersection of Sepulveda and Rosecrans to the connection at Marvin Braude Bike Trail via Highland and 45th Street. The project aims to close the gaps and deficiencies on existing bike lanes to reduce crash risk, increase safety and comfort, facilitate access to beach recreation, and encourage more people to use bicycles as transportation.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Ted W. Lieu
Member of Congress
