Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Furnishing and Equipping Rose Avenue Clinic in fiscal year 2023.

The entity to receive funding for this project is the Venice Family Clinic located at 604 Rose Avenue, Venice, CA 90291.

This funding would support the Venice Family Clinic's expansion and remodel to better serve low-income residents of the Westside of Los Angeles. The new remodel will fully equip and furnish the new building. The improvements will accommodate the tremendous growth of Venice Family Clinic's scope of services, including the dramatic expansion of our behavioral health, substance use, optometry, health education, and case management programs. These areas have functioned with inadequate space for many years but will soon have the means to operate at their fullest potential.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Ted W. Lieu
Member of Congress
