The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Culver City Stormwater Diversion Project in fiscal year 2024. The entity to receive funding for this project is the City of Culver City, located at 9770 Culver Blvd., Culver City 90232. The funding would be used for a multi-benefit stormwater project to help address water quality, among other issues. The project is an appropriate use of taxpayer funds because it will treat contaminated water that ends up in public spaces.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ted Lieu
Member of Congress
