Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Cloverfield Services Center Interim Housing Program Renovations in fiscal year 2024. The entity to receive funding for this project is The People Concern, located at 2116 Arlington Avenue Suite 100, Los Angeles, CA 90018. This project will fund renovations to two interim housing programs in Santa Monica run by the People Concern. The Cloverfield Services Center, which houses the programs, helps individuals who are traditionally hard-to-reach and sometimes apprehensive about receiving care gain access to: shelter, income assistance, workforce development services, and affordable housing placement services. The project is an appropriate use of taxpayer funds because more than 90 percent of the clients served at Cloverfield Services Center live with mental illness or co-occurring disorders and approximately 50 percent are struggling to overcome addiction to alcohol and drugs. The ultimate goal of this project is to better enable the Cloverfield Services Center to find permanent housing for our community's most vulnerable individuals and help them maintain an independent and healthy lifestyle.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ted Lieu  
Member of Congress
