Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Hermosa Beach Real Time Crime Center in fiscal year 2024. The entity to receive funding for this project is City of Hermosa Beach, located at 540 Pier Avenue, Hermosa Beach, CA 90254. The funding would be used for creating a Real Time Crime Center (RTCC) for the City of Hermosa Beach, which will provide first responders with critical information to specific incidents, provide situational awareness ahead of officer arrival, and enhance investigative capabilities of the department. The project is an appropriate use of taxpayer funds because this project will improve the safety of innocent bystanders and first responders by using state-of-the-art technology to share real-time information with officers and detectives working in the field.

This project has a Federal nexus because it is for the purposes authorized in 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ted Lieu  
Member of Congress
