The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Public Safety Digital Infrastructure Expansion Project in Fiscal Year 2026. The entity to receive funding for this project is the City of Torrance, located at 3031 Torrance Blvd, Torrance, CA 90503. The funding would be used to enhance surveillance coverage, improve response times, and support ongoing public safety efforts, allowing for this critical infrastructure to keep the city safe through better connectivity. The project is an appropriate use of taxpayer funds because it will improve real-time monitoring and response capabilities, contributing to faster law enforcement action and increased public safety throughout the City of Torrance.

The project has a Federal nexus because the funding provided is for purposes authorized by 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ted W. Lieu
Member of Congress
