Committee on Appropriations  
U.S. House of Representatives

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Real Time Crime Center Project in Fiscal Year 2026. The entity to receive funding for this project is the City of Hermosa Beach, located at 1315 Valley Drive, Hermosa Beach, CA 90254. The funding would be used to create a technology-driven support center for law enforcement officials to help officials respond to emergencies faster and more efficiently, while protecting the safety, rights, and privacy of all individuals. The project is an appropriate use of taxpayer funds because it will allow operators to provide first responders with critical information on specific incidents, provide situational awareness ahead of officer arrival, improving safety and enhancing investigative capabilities.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ted W. Lieu  
Member of Congress
