The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Storm Drain Repair Dry Well Infiltration Basin Project in Fiscal Year 2026. The entity to receive funding for this project is the City of Rolling Hills Estates, located at 4045 Palos Verdes Drive North, Rolling Hills Estates, CA 90274. The funding would be used to improve storm water infrastructure in and around Rolling Hills Estates following years of unprecedented rainfall and flooding. The project is an appropriate use of taxpayer funds because Southern California has been heavily impacted by recent severe storms that have stressed critical infrastructure meant to mitigate flooding in the area.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ted W. Lieu
Member of Congress
