February 20, 2018

Mr. Jared Kushner  
Senior Advisor to the President  
The White House  
1600 Pennsylvania  
Washington, D.C. 20500

Dear Mr. Kushner:

We write with regard to a letter we sent dated December 6, 2017, about your property located at 666 Fifth Avenue in New York, which is owned by Kushner Cos. It has now been over 75 days since this letter was sent, and we have yet to receive a response. For an administration that has repeatedly touted its “unprecedented transparency” in a variety of contexts, your silence is deeply troubling.

In the letter, we expressed concern that you may have a conflict of interest in serving as a senior White House advisor with a foreign affairs portfolio while simultaneously seeking foreign bailouts for your troubled New York property, which – according to one report by *Bloomberg* – “has failed to secure foreign investors *despite an extensive search.*”

We asked you two simple questions:

1. Since November 8, 2016, did you have any discussions with any foreign nationals or entities in Saudi Arabia, United Arab Emirates, Qatar, China, Israel, France or any other foreign country (excluding Russia) about 666 Fifth Avenue?
2. If the above answer is yes, did you discuss anything related to helping finance, purchase, or assist with the debt on 666 Fifth Avenue?

We respectfully urge you to live up to the administration’s claim of transparency and respond to our December letter. Your continued refusal to answer simple yes/no questions suggests you have something to hide. We appreciate your attention to this matter and look forward to a response.

Sincerely,
